HISTORICAL SKETCH ORIGINS

The 'Gudivada College', started in 1950, is the result of munificence and zeal for higher education of the people of Gudivada region and of the neighbouring villages in Krishna District. The town is situated in a rich agricultural area midway between Vijayawada and Machilipatnam and connected through road and railway with the leading towns and villages in the district. Gudivada has always been a centre of great cultural and political activity and its citizens have played a prominent role in the life of the nation in general and of Andhradesa in particular. But the lack of a seat of higher learning was actually felt, and to meet this need, a strong committee of local leaders was formed early in 1950 and an appeal for funds was made over the name of the following persons: Sri Parvataneni Venkataratnam (President), Sri Uppalapati Veerabhadra Rao (Treasurer), Sri Kaza Venkataramaiah (Secretary), Sri Vemulapalli Ramabrahmam (Joint Secretary) and Sarvasri Vadde Sobhanadri, Lingam Venkatakrishnaiah and Upadrashta Papanna Sastri as members.

INAUGURATION

The College Organising Committee approached the authorities of the authorities of the Andhra University in April, 1950 with the request that permission might be given to organize the institution and have it affiliated to the University. The inspection committee appointed by the University visited Gudivada in May 1950 and reported in favour of granting the affiliation. The College was formally inaugurated under the name 'The Gudivada College' by Prof. V.S. Krishna, Vice Chancellor of Andhra University, on July 6, 1950 at a public meeting over which the Honourable Sri Bezawada Gopala Reddy, Finance Minister, Government of Madras, presided. It was temporarily located in a fine building on the main road. The Secretary of the Organising Committee, Sri Kaza Venkataramaiah became the Correspondent of the College.

INFRASTRUCTURE

The year January 1958 witnessed the opening of the college playground at the new site which was the beginning of a new era in the history of the College. It is in the fitness of things to mention here that the philanthropic villagers of Pedaparupudi and Bhushanagulla, which abut the college ground, donated as many as 15 acres of land. Additional land could be purchased through the generous donations of Rs.60,000/- and Rs 40,000/- by the farmers of these two villagers respectively.

There were a few donations by understanding individuals: three acres of land by Smt.Mandava Rama Tulasamma, 1.12 acres by Sri Kolli Bhadraiah and 0.5 acres by Sri Vellanki Akkaiah Chowdary, which contributed to the extension of the college boundaries.

In February 1959, the next step forward was taken. The foundation stone for the new building was laid by Dr.V.S.Krishna, the then Vice-Chancellor of Andhra University. Construction work began at once and the eastern wing of the ground floor came into being, a bare necessity for the Office, Principal's room, Laboratories and Library. Simultaneously, a spacious auditorium was also constructed. On account of a donation of about Rs.60,000/-, it was named after Sri Yerneni Chalamaiah.

Since Sri Akkineni Nageswara Rao and his admirers gave a donation of One Lakh rupees, the College was named after him from April 1959. The 10th College Day was celebrated at the new site in February 1960 and the College moved to its permanent location in July 1960. Sri A.F.Thyagaraju, the first Principal of the college left the institution on July 16, 1966 to join the Noble Principal was promoted as Principal. As soon as he took over, he could secure the active and willing cooperation of three popular doctors, Dr.A.V. Raghavaiah, Dr.T.L.Perumallau and Dr.P.L. Narasimha Rao for the completion of remaining portion of the building. Their active participation in the construction activity culminated in the collection of fairly handsome donations (about Rs. 1,75,000/-) from the philanthropic public of Gudivada and neighbouring villages. To this was added, as promised, a sum of about Rupees One Lakh by the friends and admirers of Akkineni Nageswara Rao. Together with Government grants, this was utilised for the construction of western wing of the ground floor and the first floor of both eastern and western sides of the main building. Teaching work at last began in the cement concrete rooms, a dream come true for the staff.

A spacious Biology Museum, with over 1000 mounted specimens of plants and animals, fossils and models, is housed in the ground floor of the western wing. A well-kept herbarium and an assortment of wood samples are also present in the museum.

The next phase of construction was another mammoth project, the Library. This was constructed on modern lines, with maximum facilities for each category of the college populace-boy students, girl students and staff.
