ACADEMIC YEAR 2018-2019

FEEDBACK ANALYSIS & ACTION TAKEN REPORT

AKKINENI NAGESWARA RAO COLLEGE

(With Post Graduaiton Courses) Estd:1950

Autonomous & Affiliated to Krishna University

Post Box No. 20, GUDIVADA-521 302, Krishna District, A.P., India.

Aided College by Govt. of A.P. Re-Accredited by NAAC at 'A' Grade

An ISO 9001 : 2008 Certified Organization

INTERNAL QUALITY ASSURANCE CELL

Internal Quality Assurance Cell of Akkineni Nageswara Rao College encourages all the departments to obtain feedback from the students, teachers, alumni and employees on curriculum. The feedback is obtained and submitted to IQAC. The IQAC committee studies the feedback report and discusses it with principal and concerned departments. Reports are analyzed and the suggestions are implemented where ever necessary and the matters related to curriculum are communicated to the board of studies. Feedback was obtained and analyzed.

Analysis of Student Feed Back On Curriculum
2018-2019

Internal Quality Assurance Cell of Akkineni Nageswara Rao College, Gudivada has obtained **Feedback on Curriculum from 386 students** for the academic year 2018-2019.

They have give the feedback on the following Questionnaire.

· 1. The syllabus and sequence of courses in different semesters/years of the programme are accurate.

2. The programme and course out comes are well defined in Curriculum.

3. Lectures/Practical/Assignments help to understand the course contents are adequate.

4. Availability of the study material in the Departmental/Central Library

5. Sessional and End Semester exams are conducted well in time and with proper coverage of all units in the curriculum.

6. The programme Curriculum encompasses the skill, competence, employability, opportunities and entrepreneurship required to plan the career.

7. Student-centric methods i.e., Seminar/Workshop/field visits/group discussions/competence result into comprehensive learning.

8. The follow-ups of curriculum delivery outcomes are well in place.

9. The curriculum is effectively taught by teachers using ICT tools and online resource material.

10. Over all Rating of the Programme Curriculum.

Over all, what are the suggestions, that you would like to give for the improvement of the entire program.

Analysis

1. In response to the question about the syllabus and sequence of courses in different semesters of the programme are accurate, 63% responded as excellent, 31% stated as very good and remaining students responded as satisfactory.

2. In response to the question, programme and course outcomes are well defined in curriculum 32% students responded as excellent, 60% of the students responded as good and the remaining responded as satisfactory.

3. Regarding the question, Lectures, practicals, assignments help to understand the course content, Majority of the students are well satisfied and responded as good. Students are very happy with the lab facilities.

4. Regarding the question, Availability of the study material in the library 45% of the students responded responded as excellent and 44% of the students responded good and 10% of the students responded satisfactory.

5. In response to the question on semester end exams and coverage of syllabus more number of students responded excellent.

6. In response to the question skill, competence and employability opportunities more number of students responded as good.

7. Regarding the seminars, workshops and comprehensive learning more than 50% of the students responded excellent and the remaining majority responded as good.

8. In response to the ICT tools 52% of the students responded as excellent and 32% responded as good.

The quantity of text books and reference books found to be sufficient for students' needs.

Although the course material has met their needs, the students expressed more practical knowledge and feels that it falls short of what is currently required for jobs.

INTERNAL QUALITY ASSURANCE CELL

Internal Quality Assurance Cell of Akkineni Nageswara Rao College encourages all the departments to obtain feedback from the students, teachers, alumni and employees on curriculum. The feedback is obtained and submitted to IQAC. The IQAC committee studies the feedback report and discusses it with principal and concerned departments. Reports are analyzed and the suggestions are implemented where ever necessary and the matters related to curriculum are communicated to the board of studies. Feedback was obtained and analyzed.

Analysis of Student Feed Back On Curriculum
2019-2020

Internal Quality Assurance Cell of Akkineni Nageswara Rao College, Gudivada has obtained **Feedback on Curriculum from 396 students** for the academic year 2019-2020.

They have give the feedback on the following Questionnaire.

1. The syllabus and sequence of courses in different semesters/years of the programme are accurate.
2. The programme and course out comes are well defined in Curriculum.
3. Lectures/Practical/Assignments help to understand the course contents are adequate.
4. Availability of the study material in the Departmental/Central Library
5. Sessional and End Semester exams are conducted well in time and with proper coverage of all units in the curriculum.
6. The programme Curriculum encompasses the skill, competence, employability, opportunities and entrepreneurship required to plan the career.
7. Student-centric methods i.e., Seminar/Workshop/field visits/group discussions/competence result into comprehensive learning.
8. The follow-ups of curriculum delivery outcomes are well in place.
9. The curriculum is effectively taught by teachers using ICT tools and online resource material.
10. Over all Rating of the Programme Curriculum.

Over all, what are the suggestions, that you would like to give for the improvement of the entire program.

Analysis

1. In response to the question about the syllabus and sequence of courses in different semesters of the programme are accurate, 61% responded as excellent, 30% stated as very good and remaining students responded as satisfactory.
2. In response to the question, programme and course outcomes are well defined in curriculum 39% students responded as excellent, 52% of the students responded as good and the remaining responded as satisfactory.
3. Regarding the question, Lectures, practicals, assignments help to understand the course content, Majority of the students are well satisfied. Students are very happy with the lab facilities.
4. Regarding the question, Availability of the study material in the library 51% of the students responded responded as excellent and 40% of the students responded good and 9% of the students responded satisfactory.
5. In response to the question on semester end exams and coverage of syllabus more number of students responded excellent.
6. In response to the question skill, competence and employability opportunities more number of students responded as good. Syllabus generated interest in the subject area for them.
7. Regarding the seminars, workshops and comprehensive learning more than 42% of the students responded excellent and the remaining majority responded as good.
8. In response to the ICT tools more number of the students responded as good.

The majority of the students appeared to be satisfied with the course content. Despite positive comments from students, it is consistently observed that course content is adjusted to meet industry demands.
