CAREER GUIDANCE & PLACEMENT CELL

Career Guidance and Placement Cell in ANR College. The Department of Career Guidance and Placement Cell is central to any higher educational institution of Liberal Arts and Science background. The College aims at the whole some development of individuals. The College enables students to pursue such academic and career opportunities that would help students to set long term and short-term goals that would help them to engage in their academic pursuit with greater sense of direction, purpose and fulfillment. Career guidance related services are given to almost all the students of the College in one way or the other. As a second and more professionalized step helps to students to find placements in various government jobs, industrial establishments, and other NGO sectors. The program exposes students to their own interests, skills and capabilities, specific skills and abilities required for certain types of Jobs, and help them to match up to what is available in the job market. The programs helps students to be better prepared to face the challenges in a competitive world.

Students are given career guidance starting from first year respective to the subjects they learn. Placement orientation programs are organized to encourage students to join the Placement Cell. The Cell, in turn, tailor its tasks to the specific needs of the clientele and strive to equip them to be placed in a career path or a specific job.

The Cell provides complete support to the registered students and companies at every stage of placement process. Arrangements for Pre-Placement Talks, Written Tests, Interviews and Group Discussions are made as per the requirements of the visiting companies. The Cell often create a platform for the reputed companies to select brilliant minds from the campus whom they can train for specific positions in their establishments. Mock Interviews are conducted for the students often to analyze their strength and weakness which includes:

- Online/Offline Test
- Group Discussion/Debates
- Course & HR Interview

Objectives:

- Provide career counseling and career development sessions for graduates.
- Develop career services programs that will help student in exploring and planning career options.
